

Playing in his yard, a KID (8) in a Miles Morales t-shirt runs toward the camera. It looks like he's going to crash into us, but he launches over us like a hurdle.

MCU STOCK: Iron Man, War Machine, and The Wasp each fly toward the camera in separate shots.

On an oval running track, a 30-something MAN WITH A PROSTHETIC LEG (running blade style) trains for an endurance race. He wears an Iron Man t-shirt.

*Alternatively, we could have a WOMAN IN A RACING WHEELCHAIR with Scarlet Witch decals on the side or Ant-Man as a shrinking zoetrope between her spokes.*

TV ANIMATION STOCK: The Lego Avengers assemble and charge toward the camera together.
