

On an outdoor stage at the sun goes down, two TEEN GIRLS and a GUY do a perfectly synchronized step routine toward the camera, integrating the “Wakanda Forever” gesture.

TV ANIMATION STOCK: Lego Captain America runs toward camera.

MCU STOCK: Captain America speeds toward us on a motorcycle.

A BIKE MESSENGER on a mission braves intense city traffic, splitting moving lanes on his bike. He wears a Loki inspired helmet. The film picks up pace as he pedals faster and faster toward us.

*Alternatively, we could see a female BIKER with a Captain Marvel logo stitched into her leather jacket.*

*Or, we could see a FATHER riding a motorcycle (slowly) and widen the shot to see his DAUGHTER in the sidecar, wearing a silver Bucky Barnes sleeve.*
