

THANK YOU

...for thinking of me. I'd love to use this film to show how Marvel can reach out and affect people with unexpected confidence. Collectively, Marvel movies are the cultural touchstone of our time. We'll see the inspiration real people get when they are sure others think they are the real Spiderman.

A close-up photograph of a young child wearing a green superhero costume. The costume includes a hooded mask with large eye cutouts and black, stylized eyebrows. The child is looking directly at the camera with a neutral expression. A white rectangular box with the word 'SUPERPRIME' in black capital letters is overlaid on the left side of the image. The background is dark and out of focus, showing some green foliage on the left and a grey wall on the right.
